Re: Nunez, et al. v. City of New York, et al., 11-cv-5845 (LTS) (JCF)

Dear Chief Judge Swain,

We are pleased to report that the *Nunez* Parties have reached a joint agreement on a proposed Third Remedial Order. The proposed Third Remedial Order is attached to this letter. The Monitoring Team also submits a declaration to the Court, pursuant to the Court's September 30, 2021 Order (dkt. entry 400) which explains the approach taken in tailoring the proposal to properly address the implicated rights and interests.

The Parties have worked diligently and productively with the Monitoring Team to reach agreement. The Monitoring Team believes the requirements in the proposed Third Remedial Order are narrowly tailored, and no more intrusive than is necessary to protect inmates' constitutional rights. The provisions are necessary to remedy the deficiencies identified. Moreover, the remedial measures included in the proposed Third Remedial Order should not have an adverse impact on public safety or the operation of the criminal justice system.

The Monitoring Team and the Parties jointly request the Court approve the proposed

Third Remedial Order attached to this letter. The Monitoring Team and the Parties appreciate the Court's thoughtful and considerate attention to these matters.

Sincerely,

s/ Steve J. Martin
